Foia Request

Attn FOIA Officer,

This is a request under the Freedom of Information Act.

One Government Agency, the Bureau of Land Management according to a recent report last from the Department of Interior inspector general spent about \$800,000 on gift cards, with \$70,000 of those purchases coming from the agency's , Idaho office. As a result the agency terminated three employees over the matter and that two more resigned. It is important that taxpayer monies are spent for legitimate purposes. In order to make a news article about government waste, we seek certain receipts for purchases by your department on December 1, 2, 3, 4, and 5th of 2014 . We only seek purchase receipts that were made with debit cards, gift cards and credit cards.

Please send me the records as an electronic Excel spreadsheet, or if that is not possible, in the electronic format in which you keep the records. If the records are only in paper format, please scan them into PDFs. Please email me the records, or if that is not possible, mail them to me on a CD. If you are unable to send the records in one of the formats I requested, please contact me to discuss alternatives. Please contact me for my authorization of any charges. I request that charges be waived as I am a member of the press and doing research on government waste.

Thank you,
William Hirst
