Subject: Multiple FOIA request filed by the DNC

Good afternoon Mr. Hils,

Thank you for speaking with me regarding the multiple FOIA requests submitted by your colleagues at the DNC to DOE Headquarters and various DOE field offices for congressional and gubernatorial correspondence. Per our discussion, the DNC has elected to withdraw its FOIAs submitted to DOE's field offices. You agreed that the processing of the requests will be narrowed to the eDOCS tracking system at DOE Headquarters. You also agreed to accept subject print out logs from that system for review and to satisfy the current requests. If the DNC finds correspondence of interest on the list(s) it will submit new requests for those items using the eDOCS control numbers.

Upon receipt of your confirmation we will begin processing the requests. If you have any questions, please feel free to contact me at (202) 586-3159.
