Dear Marti Ayers:

I am requesting information and history about any money your agency or office has given to the Corporation for Public Broadcasting and/or any public radio station, in any form (grants, etc.), as part of an effort to promote your work, support public radio or for any other purpose.

I believe Southwestern Power Administration may have the records I am seeking. I request them to be in electronic form.

I would like your search to cover the period between 2010 and 2016.

I am requesting a fee waiver for any printing or copying costs for reproduction in excess of 100 pages since this information will be used to educate the public on how federal money supports public radio.
