Mr. Nelson,

Yes that is correct. DOE HQ has received several but these were not sent to Southwestern. I will consider your request closed. Thank you.

Ms Ayers

Thank you for your email. Based on your communication, below, it is my understanding that the only FOIA requests that have been received by SWPA and which are responsive to my FOIA request are: (1) SWPA-2014-01776-F; and (2) SWPA-2016-00833-F. Further, of these two, SWPA has only completed a response to the 2014 request. If my understanding is correct, I respectfully will withdraw my request at this time.

Please confirm my understanding, above. Thank you.

Joseph B. Nelson

Dear Mr. Nelson,

Thank you for your FOIA request which was received on August 30, 2016. It has been assigned a control number SWPA-2016-01380-F. Please use this number in any correspondence with Southwestern about your request.

I called your office this week to visit about this request. The material you requested is on our website. The only information not on there is FOIA Request SWPA-2016-00833-F which is not completed at this

point. I wondered if you would like to withdraw this request since the information is at the webcite listed below. Please check the webcite and send me a confirming email if you would like to withdraw this request.

I am out of the office next week but can be reached by email. The web address is:

www.swpa.gov. Click on FOIA/Privacy Act under the heading About the Agency then

Click on Electronic Reading Room. 2016 requests show at that location.

For requests 2010-2015, click on View Archived Requests.

I appreciate the opportunity to assist you with this matter. If you have any questions, please contact me by email or telephone.
