Subject: SWPA-2012-01591-F FOIA Request

Dear Ms. Corbo:

Thank you for the two requests made to Southwestern Power Administration under the Freedom of Information Act (FOIA) 5 U.S.C. 552. Your foia was received on July 5, 2012 and has been assigned a control number SWPA-2012-01591-F. Please use this number in any correspondence with Southwestern about your request

I received the attached two foia requests. It appears they are asking for the same information so I would like to consider them one request. Please confirm they are one request.

Upon reviewing your requests I notice you ask for exact copies of any

contracts, purchase orders and/or awards issued for the purchase or acquisition of any SSL server certificate for the agency servers during the fiscal year 2011 and 2012 as well as

1. Contact information for the procurement point of contact (email/ mailing addresses)
2. Number of total servers that require the use of standard SSL certificates
3. Number of total servers that require the use of EV SSL certificates.

I appreciate the opportunity to assist you with this matter and should be able to meet the statutory deadline of August 2, 2012. If you have any questions, please contact me at the email address or phone number below.
